Enter the villa through 100 year old mesquite doors, hear the trickle of Talavera Mexican fountains and step back in time. You will be greeted by the best hospitality Mexico has to offer with a cold Margarita and a warm smile.

Hacienda Camino al Mar captures the romance of Old Mexico with over 8000 sq. ft of elegant Spanish colonial style and modern conveniences. The villa was designed by renowned Puerto Vallarta architect, Arturo Ramos, to enjoy the ocean air and to blur the line between Indoors and out. Take an evening stroll down the beach, an after dinner dip in the natural salt purified swimming pool or have a cocktail and watch the sunset from the rooftop terrace.
