“Villa Los Arcos” - the Italian villa overlooking the arched rocks in Banderas Bay. Villa Los Arcos is located just north of Mismaloya Bay on the water overlooking the infamous los arcos nature preserve, approximately 15 minutes south of exciting oldtown Puerto Vallarta. Villa Los Arcos has been designed with the health conscious in mind and offers fabulous ocean views throughout, you will awaken to picturesque Los Arcos Islands and retire to breathtaking sunsets. The villa rests on four levels and boasts of five luxury bedroom suites with private bathrooms all with air-conditioning and views of the ocean.

Incorporating modern architecture with authentic Italian décor, this villa offers a view that will keep you spellbound! From the moment you walk through the front door and hear the rhythm of the sea and see the palapas swaying to the rhythm over the gentle ocean, you will feel the calming and soothing sea breeze and your heart and mind will truly be on vacation! Look again and you may see whales, dolphins, large sea turtles, manta rays or other sea life swimming just below the villa. Then, look again at the sunset. Breathtaking. On the main level of Villa Los Arcos is the ocean-front terrace which offers a “healthy” sparkling infinity pool, with complete privacy. Slip into the pool day or night and watch the ocean surrounding you. Now this is really relaxing! Have one of Villa Los Arcos’ staff serve you your favorite drink on the terrace or anywhere inside Villa Los Arcos ... the spectacular view is always there. Some of the other amenities include flat screen TV’s w/Satellite connection, VCR/DVD systems, i-Pod compatability, Fax system, wireless Internet, U.S. phone service, kayaking daily maid service and a cook offering organic food delights.
